**Notice of Inventory Completion: Brigham Young University, Museum of Peoples and Cultures, Provo, UT; Correction**

**AGENCY:** National Park Service, Interior.

**ACTION:** Notice; correction.

Notice is here given in accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), 25 U.S.C. 3003, of the completion of an inventory of human remains and associated funerary objects in the possession of the Brigham Young University Museum of Peoples and Cultures, Provo, UT. The human remains and associated funerary objects were removed from San Juan County, UT.

This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA, 25 U.S.C. 3003 (d)(3). The determinations in this notice are the sole responsibility of the museum, institution, or Federal agency that has control of the Native American human remains and associated funerary objects. The National Park Service is not responsible for the determinations in this notice.

This notice corrects the minimum number of individuals and the number of associated funerary objects published in a Notice of Inventory Completion in the Federal Register (75 FR 58433-58435, September 24, 2010). A recent re-inventory of culturally unidentifiable human remains led to the recognition of culturally identifiable human remains from Iceberg Canyon near

Lake Powell, San Juan County, UT.

In the Federal Register (75 FR 58433-58435, September 24, 2010), paragraph seven is corrected by substituting the following paragraph:

At an unknown date, human remains representing a minimum of six individuals were removed from an unknown location in Iceberg Canyon near Lake Powell, San Juan County, UT, by private individuals. No further geographical information is known. In 1971, the human remains were donated to the Museum of Peoples and Cultures and were accessioned (Catalog Nos. 1971.11.5.0 and 1971.19.1.0). No known individuals were identified. The two associated funerary objects are one lot of clothing fragments and one piece of petrified wood.

In the Federal Register (75 FR 58433-58435, September 24, 2010), paragraph 23, sentences one and two are corrected by substituting the following sentences:

Officials of the Museum of Peoples and Cultures have determined that, pursuant to 25 U.S.C. 3001(9), the human remains described above represent the physical remains of 39 individuals of Native American ancestry. Officials of the Museum of Peoples and Cultures also have determined that pursuant to 25 U.S.C. 3001(3)(A), the 139 objects described above are reasonably believed to have been placed with or near individual human remains at the time of death or later as part of the death rite or ceremony.
